

ABIATHAR ENTERPRISES, LLC.

RISK MANAGEMENT FAITH-BASED INSTRUCTIONS REQUIREMENTS

Abiathar Enterprises Board of Directors Offers Certifications for Faith-Based Instructors in Risk Management. Certification would be granted to law enforcement, military, security & safety, risk management, and business leaders (this is not a complete list of professions) who can provide verifiable proof of knowledge, experience, and professional management skills in ten key areas:

CERTIFICATION TOPICS ARE:

- 1) Concepts and Applications for Places of Worship in Security and Safety (Risk Management)
- 2) Employing Business Ethics in Places of Religion
- 3) Crime Prevention Through Environmental Design (CPTED)
- 4) Soft-Target and Crowded Places (ST-CP): Physical Security Techniques for Places of Worship
- 5) Leadership Values and Principles
- 6) Principles of Personnel Security
- 7) Executive Protection Security
- 8) Investigations
- 9) Cybersecurity and Information-Security Guidelines and Procedures
- 10) Crisis Management and Emergency Management

ELIGIBILITY REQUIREMENT

- Five years of work experience, with at least three of those years in responsible charge of security & safety activities

OR

- A bachelor's degree or higher and three years of security & safety work experience, with at least two of those years in a responsible position

OR

- A master's degree or higher and three years of security & safety work experience, with at least two of those years in a responsible position

AND

- Resume with three (3) references – Names, Addresses, Emails, and Phone Numbers
